P&C Photographer Agreement

2024

Purpose: The P&C Photographer Agreement serves as a record for documenting that approved photographers for P&C Association events have read and understood all the appropriate and current documentation required by the P&C to volunteer and fulfil the role of P&C Photographer at P&C Events. It records a photographer's acknowledgment and understanding of an agreement to follow both the *JRPS P&C Photography Policy* and secondary *JRPS P&C Photography Protocol* when acting in this role.

Review: The P&C Photographer Agreement must be signed each calendar year.
